

QUALITY SOLUTIONS REAL BENEFITS

Cotton & Company LLP, a Washington Post Top Workplace for five years, is a CPA firm that prides itself on being fiercely independent and serving the public interest. We continue to apply our professional audit standards when performing consulting engagements and litigation services.

- Veteran-owned
- Alexandria, VA
- Certified Public Accounting firm
- 15 partners
- Founded in 1981
- 200 employees

The Washington Post

In our early years, we made a conscious decision to specialize in government organizations, programs, activities, and functions. Through the years, we have deepened our understanding of this specialized practice focus area, wherein we strive to continue to learn more and more about our clients, government programs, and how they operate, and how government operations can be improved.
